Artwork #3 rules

Whatever number is on your dice, draw the following, colour in that many rows in your current column, example:

After you've drawn, flip the coin. If it its 'heads' add 1 to your dice (eg, change 3 to 4). If its 'tails' minus 1 from your dice. You decide whether you can go from 6 → 1, or just remain at 6.

After you've done that, advance to the next column and repeat this page of instructions with your new dice number:
